Objective

A passionate and self-motivated software engineer seeking a challenging role in a progressive organization. My goal is to utilize my skills in Python, MySQL, web development, and problem-solving to develop innovative solutions, contribute to team success, and enhance my technical expertise.

Professional Summary

- Detail-oriented and highly motivated fresher with robust knowledge in Python programming, MySQL database management, and web development tools.
- Strong foundation in front-end web technologies like HTML and CSS, with a keen eye for responsive design and usability.
- Demonstrates the ability to write clean, scalable, and maintainable code.
- Skilled in collaborating with cross-functional teams and delivering high-quality software solutions.
- Proven ability to manage multiple priorities under pressure while maintaining a strong focus on achieving goals.

Technical Skills

- **Programming Languages:** Python
- **Web Development:** HTML, CSS
- **Databases:** MySQL, SQLite
- **Tools & Platforms:** VS Code, IDLE
- **Other Tools:** Git (version control)

Education

- **B.Tech in Electronics and Communication Engineering**, Sai Rajeswari Institute of Technology, Andhra Pradesh — CGPA: 6.76 — 2023
- **Diploma in Electronics and Communication Engineering**, Balaji Institute of Technology and Science — GPA: 70% — 2020
- **Secondary Education**, PR Govt. High School, Andhra Pradesh — GPA: 8.7/10 — 2017

Projects

- **SBI Bank Application:** Developed a command-line bank management system using Python and SQLite, with features like account creation, balance inquiry, and secure transactions.
- **Image Compressor:** Designed an efficient image compression tool using Python and the Pillow library, reducing file sizes while retaining image quality.
- **Portfolio Website:** Created a responsive personal portfolio website showcasing skills and projects, utilizing HTML and CSS.

Certifications

- Python Certification — GUVI Geek Networks
- HTML Certification — Simplilearn Skillup

Additional Skills

- Strong analytical and problem-solving abilities.
- Effective communication and teamwork skills.
- Quick learner with adaptability to new technologies.

Declaration

I hereby declare that the above information is true and accurate to the best of my knowledge and belief.
